Testimonials

“...he made a big impact on our company’s branding.”

Ehab Aref

Interactive Media Art Director, Twin America

“Andy has excelled in interactive design due to his abilities of sketching ideas, building wireframes, and creating mockups. This results in his work only needing to be done once.”

Joey Kilrain

CCO, Gigapixel Creative

“A hard worker and creative thinker [who possesses] a love of learning... [his work exhibits] sparkling visual design and typography.”

Anwar Montasir

Instructor, AiNYC

“He consistently presented fresh solutions that were competently and creatively executed. He was not afraid to push the limits of a problem or material.”
